

# INAMAR<sup>®</sup>

INAMAR produces a bright and sunny form of Melodic Techno. She was born in Zurich to a Spanish mother and a Swiss father. After a trip to IBIZA, where she got so inspired by many different and great artists, she started producing electronic music.

The versed Swiss producer, artist and DJ captivate people's attention with her relentless drive and passion for her craft. She is always trying to find a way to take her creation to the next level. With releases like 'Always Love You', 'Lost & Found' and more, INAMAR's impressive discography boasts a variety of sounds bound to please electronic music lovers. In 2023, INAMAR released her fresh track 'Free Spirit' on the renowned 'Deep Woods' label by Pretty Pink.

INAMAR's electrifying remix of 'Better in The Dark' by the renowned DJ and producer duo Eli & Fur, is on the brink of its grand debut on the esteemed Anjunadeep label, set to be released by the year's end.
